Our company **ars apodemica** would be glad to organize your visits to various **agricultural enterprises** in Germany. In combination with **EuroTier**, the world's largest trade fair for agricultural machinery, you can use the opportunity to visit **companies of different fields and industries**. You can benefit from their expertise and make your own purchases. Since 2005 we were able to convince thousands of customers of the quality of our services. Our company has rich experiences and extensive partnerships in this area.

Below you can find several **examples of enterprises,** which are situated not far from Hanover. And that is not all, what we can offer you! **Tailor-made programs are the key to the success of a business trip!** For each client we develop an **individual program** with a detailed schedule of visits to relevant enterprises taking into account your interests. We are looking forward to **your request**, upon which we will send you a **non-binding offer**.
