Ticket selection and uploading the VCR certificate

COVID Approval

Due to the Corona pandemic, all attendees must be vaccinated, recovered or tested. Consequently, admission is only possible with a valid COVID certificate. You can now present a digital COVID certificate to enter the event without a paper warning. Please upload your certificate as follows, a PDF file or a screenshot or scan (with a watermark).

We accept all certificates that meet the following:

- Upload COVID certificate now (EU vaccine, app QR, Luca, etc.)
- Scan COVID certificate with web/camera (EU vaccine or app QR)
- OR
- Continue without upload (Certificate must be presented on-site)

By voluntarily uploading the digital certificate, I agree that the health data stored therein may be processed by our system provider for the purpose of admission control on terms stated in Germany. This data will generally be deleted promptly after the event, at the latest when it is no longer required for the installation and follow-up of the event. I can revoke this consent for free later by e-mail to info@eurotier.de.

If frequently asked question: What certificate types are accepted? What happens if I don't upload a certificate?

- Choose a ticket or redeem a voucher.
- Upload your VCR digital certificate*.
