

Joint Pavilion of International Biogas Associations

NEW

Take the opportunity to present your professional organization and your members at EnergyDecentral 2024, on November 12-15 in Hannover.

As an exhibitor, you have the chance to showcase your activities to a high-profile audience of the global biogas industry during the four-day trade fair. Engage with your stakeholders, strengthen your network, initiate new partnerships and cooperation projects.

We actively highlight your trade fair presence through communication and networking activities.

Present yourself in the Joint Pavilion of International Biogas Associations:

- Attractive location and stand format
- Low costs
- All-inclusive offer
- High visibility and promotion
